

# A BETTER CONVERSATION STARTS HERE

It can be difficult talking about hepatitis C (Hep C), even with your doctor. Get the facts from Hep C Hope, along with a discussion guide to start a conversation with a Hep C specialist.

Sign up and get your copy today.

## RETHINK HEP C AND TAKE ACTION

Answer these questions to receive your Doctor Discussion Guide. It can help you learn more about Hep C, and guide you to a better conversation with your Hep C specialist.

The Doctor Discussion Guide includes:

- Hep C Facts
- Questions to help you understand your Hep C
- Questions about treatment options to discuss with your Hep C specialist

Join Hep C Hope today.

\* Indicates required fields

By entering your email address and other information requested here, you agree to receive emails from trusted third parties containing promotions and other special offers.

In certain instances, we, or our advertisers, may ask you to provide a contact phone number. In those instances, we want to be certain that we respect and minimize intrusions into your privacy. To that end, by clicking to submit the information (the button may be labeled with a variety of terms such as "Submit", "Click Here", "Call Me" or "Continue"), you are providing your express written consent and: i) specifically authorize Lifescript Advantage, and/or our advertisers, to call the telephone number you have provided; ii) represent that the phone number you have provided belongs to you; and iii) and acknowledge and understand that we and/or our advertisers may use automated phone technology to call you and/or play you a pre-recorded message. Perhaps most importantly, please know that the consent you are providing by clicking is not required to purchase any product or service nor will it obligate you in any way to purchase any product or service.
